Dear Georgians,

I feel happy to present a comprehensive directory of all fellow Georgians spread in different countries of the world including India on the occasion of centenary International Georgian meet being held at CSM Medical University (KGMC), Lucknow, India in Dec. 2011.

All precautions have been taken while compiling this booklet but inadvertently few mistakes might have been made. I request all of you to bring it to my notice, so that in next edition these may be rectified.

This directory is a non official document and has been brought out to facilitate greater interpersonal relations between fellow Georgians spread all over world.

I request you all not to handover this directory to anybody to avoid its misuse.
