**ADVERTISEMENT**

**Inviting online observations/comments from the vendors on the website kgmu.org /kgmcindia.edu for Renewal/Purchase Subscription of e- resource package/Database Online Platform of UpToDate (Wolters Kluwer)-2024 on proprietary basis.**

**Subject:** Inviting online observation/comments on the renewal proposals received for procurement/subscription of Database i.e. the Renewal Subscription of Online Platform of UpToDate (Wolters Kluwer) for the year 2024 on **proprietary Basis**.

The Central Library, King George's Medical University UP, Lucknow has to procure renewal subscriptions on **Proprietary basis through their authorized Indian Agent/(Original Publishers) as noted below :**

- M/s International Subscription Agency, Flat No.2, Nirala Market, Nirala Nagar, Lucknow

The concerned proposal from vendor alongwith proprietary article certification by the concerned publisher as well as by the Honorary Librarian, Central Library, King Georges Medical University, Lucknow are attached and uploaded on website.

The above documents are being uploaded for open information to submit objections, comments if any, from any manufactures/publishers/suppliers before declaring proprietary article of the above said e-resource online packages (database) to be procured/ subscribed within 15 days from the date of issuance/uploading of the notification. If there is any objections/comments by any other authorized vendors/firms to the proposal submitted by the said publisher (ISA), then the objection/comments can be communicated to the Central Library by email: purchaselib@kgmcindia.edu, honorarylibrarian@kgmcindia.edu with copy to the Vice Chancellor on : [vc@kgmcindia.edu](mailto:vc@kgmcindia.edu) failing which it will be presumed that any other vendor is having no comments/ objections for above subscription/purchase on proprietary basis and case will be decided on merits.

(Dr. D.N. Upadhyay)  
Member Secretary & Honorary Librarian

**Statement of Sole Source Provider / Proprietary Letter**

Dear Sir,

UpToDate is an evidence-based clinical decision support resource that offers comprehensive, peer-reviewed content in 25 medical specialties: Adult and Pediatric Emergency Medicine; Adult Primary Care and Internal Medicine; Allergy and Immunology; Anesthesiology; Cardiovascular Medicine; Dermatology; Endocrinology and Diabetes; Family Medicine and General Practice; Gastroenterology and Hepatology; General Surgery; Geriatrics; Hematology; Hospital Medicine; Infectious Diseases; Nephrology and Hypertension; Neurology; Obstetrics, Gynecology and Women's Health; Oncology; Palliative Care; Pediatrics; Psychiatry; Pulmonary and Critical Care Medicine; Rheumatology; Sleep Medicine; and Primary Care Sports Medicine.

Used primarily at the point of care, UpToDate is available online via computer or mobile device. With a subscription or site license, clinicians can access more than 10,500 topics (including text, graphics, and links to more than 425,000 references), graded recommendations, a select drug database and drug interactions tool (in partnership with Lexicomp), calculators, and patient information.

More than 7000 physicians, internationally recognized as leaders in their fields, write UpToDate topics. The content incorporates findings drawn from more than 460 journals, our physicians' collective clinical experience, and recommendations based on the best available evidence. UpToDate topics undergo rigorous peer review and are updated continuously to ensure the content remains both current and accurate. In addition, UpToDate does not accept money from advertisers, so the information is free of commercial bias.

UpToDate is in use in more than 180 countries and has been shown in numerous independent studies to be associated with improved medical knowledge, improved quality of care, reduced complications, reduced medical errors, reduced length of hospital stay, reduced cost, and lowered mortality. There is no other resource that offers UpToDate's breadth of content, synthesized information, and organized, searchable format. **UpToDate is a sole source provider of the above-described services and is a proprietary resource of Wolters Kluwer.**

Data in this report reflects current reporting period except where noted. Benchmarks are included where possible to allow for comparison.

### Client Insights & Decision Impact

337	11,175	27,589
Unique Users Count**	Projected Decisions Changed*	Projected Decisions Reinforced*

\* Projected decisions changed and projected decisions reinforced are calculated by taking the number of searches within the reporting period from your organization, multiplied by the overall percent of decisions changed or decisions reinforced as reported by all enterprise customers in 2023.  
 \*\* The number of distinct known users that had usage in the reporting period, not including anonymous users.

### Total Usage by Year

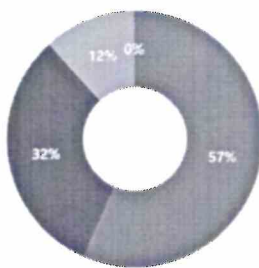

### Trending Topics\*\* Sorted by Increase in Views

Topic Viewed	% Change from Previous Year*
Approach to the adult with interstitial lung disease: Clinical evaluation	100%
Atrial fibrillation: Overview and management of new-onset atrial fibrillation	37%
Treatment of hypertension in pregnant and postpartum patients	30%

\*\*Trending topics are up to 3 of the most viewed topics from this report period that had highest increase in views from previous year  
 \*Previous Year counts reflect data from the same reporting period in the year previous to the current report.

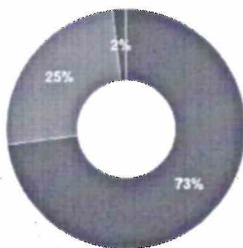

### Access Insights

#### Methods Used to Access Topics
