Message from the Organizing Committee and Secretary

The Department of CFAR (Cytogenetics Lab), Paediatrics, Pathology, Clinical Hematology, Obstetrics & Gynaecology, and Transfusion Medicine, King George's Medical University, Lucknow, and Thalassemia India Society, Lucknow, are glad to invite you to the "Annual Thalassemia Update 2023" on November 4, 2023. The aim of the conference is to update all the doctors and patients and their family members to the basic and new approaches for the treatment and management of thalassemia. As thalassemia is a genetic disorder for which prenatal diagnosis on time will play a major role in the efforts to eradicate the disease from India.

We cordially invite you to attend this event and look forward for your active participation. Thereby offering good opportunities to learn new ways of treatment and enhancing our knowledge.
