MOST URGENT
ORDER

I am writing to bring to your immediate attention an important matter regarding the annual renewal of permission for UG-MBBS seats at our esteemed university.

As outlined in the public notice dated 18th March 2024 from Mr. Shambhu Saran Kumar, Under Graduate Medical Education, National Medical Commission, New Delhi, it is imperative that we submit hospital and faculty data on the NMC portal for the annual declaration, as mandated by the NMC Act, 2019. Mr. Kumar has emphasized the critical nature of this requirement, highlighting that failure to submit the Annual Declaration within the specified time period (31st March 2024) will result in the non-permission of seats.

Furthermore, our Dean-Academics has issued letters (#Dean-Academics/KGMU/2024/374 and #Dean-Academics/KGMU/2024/375 dated 19/03/2024) stressing the significance of this mandate and has specifically requested the submission of declaration forms for All faculty/Senior Residents/Tutor/Demonstrator.

In light of this, I urge all heads of departments to ensure the timely submission of the declaration forms for all faculty/Senior Residents/Tutor/Demonstrator by 23rd March 2024 to the office of the Dean-Academics. This will facilitate the signing, scanning, and subsequent uploading of the forms onto the NMC Portal, within the stipulated time.
